

MYANMAR LAB 2018

THE 6TH INTERNATIONAL TRADE FAIR FOR LABORATORY, ANALYTICAL, BIOTECHNOLOGY AND SCIENTIFIC INSTRUMENTS & TECHNOLOGY

ABOUT MYANMAR

The largest country in South East Asia

Total land area: 676,578 km²

Population: 60.38 million (2013)

Land borders with: Bangladesh, China, India, Laos, Thailand

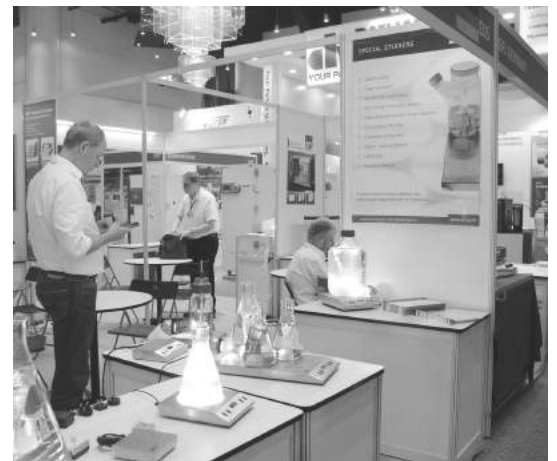

Myanmar is a market benefiting from increasing democracy and infrastructure development. With a population of more than 60 million, expansive geography and low-cost resource, is attracting increased investment as 'the last frontier' of Asia.

14 - 16 DECEMBER, 2018

ROSE GARDEN HOTEL, YANGON

THE WORLD OF SCIENCE @ MYANMARLAB

- The biggest international exhibition for Laboratory Industry in Myanmar
- Business Matching between the Suppliers and Distributors
- Professional Conference / Seminar
- Tour Visit to Hospital / Pharmaceutical Market / Laboratory
- New technologies, exchanging information, new product launches

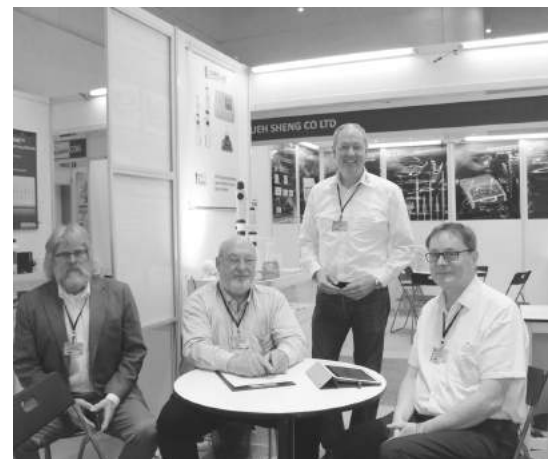

WELCOME TO LAB EXPO IN MYANMAR 2018!

Join over 100 exhibitors

Showcase your products to 2,500 visitors

Meet buyers from local to global

“ Gathering the region's hospital, Diagnostic, Laboratory, Analytical, Biotechnology and Scientific Instruments & Technology sectors in one convenient location and providing the perfect platform to discover the latest industry innovations, to network and do business ”

ORGANIZER & SUPPORTER

WHY EXHIBITORS CHOOSE MYANMAR LAB

THE MOST POWERFUL ANNUAL SHOW FOR THE REGIONAL LABORATORY & ANALYTICAL INDUSTRY

Showcases the latest technology

Brings results

Achieves success

Develops business

Provides solutions

Creates knowledge

Your opportunity to meet "Instrumentation Management & Personnel" from the following industries:

Agriculture | Biotechnology & Life Sciences | Chemicals & Reagents | Chemical Engineering | Drug Discovery & Development | Energy & Environment | Food Testing & Diagnostics | Instrumentation | Laboratory Technology | Material Testing | Measurement & Testing | Nanotechnology | Petrochemicals | Process Control | Quality Control | Research & Development

TESTIMONIAL

"This is the first time we're in Myanmar seeking for distributor and after the show we believe we have some partner here. We're satisfied with the Organizer, good service, quick support and we did obtain our purpose to exhibit here."

— Ms. Hyunjoo Park from DAIHAN SCIENTIFIC (KOREA)
